SENIOR UPDATES

College Application Week

[Click Here](#) to see specific date info about College Application Week. Seniors should plan to come to the Commons during MAPS all week to work on their applications.

Student Going on Mission?

Students planning on going on a mission before starting college should still complete college applications and secure scholarships their senior year. Students will then defer acceptance for when they return.

Deadlines

Remember, students **MUST** have all components of their application submitted by the deadline. This means ACT scores, transcripts, and letters of recommendation if applicable. Your student should request transcripts and/or ACT scores **AT LEAST 2 weeks** prior to deadline to ensure the school has the needed documentation in time. [Click here](#) for application deadlines.

JUNIOR UPDATES

CCR Meetings

Counselors will send out a virtual College and Career Readiness presentation to Junior students and parents during 2nd term.

Parents/students will have the opportunity to schedule an appointment with their counselor if they have follow up questions or need further help planning.

SOPHOMORE UPDATES

Coping Skill of the Month

Just like adults, kids have a hard time when things don't go their way. Helping your student identify what is in their control can often help them feel empowered to make changes and control their reactions in many situations.
