## COURSE SELECTION CHANGES?

*Course Selection for the 2023-2024 year has been completed. If your student did not enter a course selection, counselors have made it for them.*

*If students need changes before the end of the year, they can email their counselor to request the changes.*

*After the end of the school year, all changes will need to be made on class change night (held on the 2nd night of school). The only exception to this will be students with holes in their schedules, teacher requested changes, and seniors with DTC, Early College, or Home Release requests.*

## JUNIOR UPDATES

### **ACT Scores**

Juniors who took the State ACT will be able to access their scores online if they have completed the process to create an online account (this information was provided to students in their MAPS class). If a student did not complete the online account process, they will need to wait to receive their scores in the mail. This usually takes about 6 weeks.

### SUMMER ONLINE CLASS SIGN-UP

*Summer Online Class Sign-Ups will be available on myDSD in the coming weeks. Make sure your student logs in and selects the Summer Course Request and chooses which courses they would like to take over the summer. Counselors will not be adding classes for students this summer.*

### **Take the ACT Again!**

Most scholarships are still requiring an ACT score. The June, September and October National Testing dates are a great time to take the ACT again to try for a better score and ensure you have enough time to send your score to colleges. To sign up, log in to your account at [actstudent.org](https://actstudent.org)

## SOPHOMORE UPDATES

### **Take the ACT!**

The end of your sophomore year is a great time to take the ACT for the first time. No prep class needed! Establishing a baseline score is a great way to start focusing your ACT prep efforts in areas you need most. To sign up, go to [actstudent.org](https://actstudent.org)

**Go to [actstudent.org](https://actstudent.org) to sign up for national testing dates**

### CREDIT RECOVERY
